## *The Bible* - One Year - One Body - One Word

### STRUCTURE

This plan takes you through the entire bible in one year. The scriptures are divided up into sixteen “parts” and organized in semi-chronological order. You’ll read two or three chapters a day, and sometimes skim through larger portions that contain genealogies, census information, etc.

### PSALMS OF PRAYER

My desire is that while reading through the Bible, you will also build a rhythm of prayer!! To help with this, one Psalm is listed each day for you to slowly pray through, making its words your own. By the end you’ll have prayed through the book of Psalms 2.5 times.

**But please don’t stop at praying just the Psalms!!** “When you read, remember that God himself has declared, ‘This is the one I esteem: he who is humble and contrite in spirit, and trembles at my word’ (Isa. 66:2). Learn to distill what a passage is saying, and pray it back to the Lord—whether in petition, thanksgiving, praise, or frank uncertainty. In time your Bible reading will so be linked with your praying that the two will not always be differentiable.” M’Cheyne

### VIDEOS

Each day you come to a new biblical book, and some other days in between, there will be a short animated video from the makers of “The Bible Project” on YouTube. These video are designed to help you remember where you are in the story, answer basic questions about each book, and to help you dive deeper into key themes and words found in the Bible. I hope you find these videos useful aids...but terrible substitutes for reading the Bible!!
